

excuse me.

SPEAKER: Senator Fellman.

SENATOR FELLMAN: Mr. President and members I have just arrived, Thank you. I would ask unanimous consent to have this bill LB 234 bracketed for two weeks.

SPEAKER: Is there any discussion about that? Are there any objections to bracketing the bill for two weeks? Do you want to name a day certain? Two weeks from today.

SENATOR FELLMAN: Two weeks from today would be fine.

SPEAKER: March 8th, if there are no objections the bill will be bracketed till March 8th. Now I believe that concludes final reading, except for LB 102, Senator Savage, do you have any word on that.

CLERK: Mr. President I move to return LB 102 to E&R to correct an error, signed Senator Savage.

SPEAKER: Senator Savage.

SENATOR SAVAGE: On page 2, line 19 and 20, do I tell you what I want now, or, well

CLERK: Well this is not necessarily a motion to return for a specific amendment, cause the amendment was made, I think all you have to do is to correct the error and explain what that is.

SENATOR SAVAGE: I so move then.

SPEAKER: Senator, excuse me, did you move to, you moved to return the bill, to select file for a specific amendment? To E&R for engrossment. Alright all those in, is there any further discussion on that? All those in favor of the motion vote aye, those opposed vote no. Have you all voted, the Clerk will record.

CLERK: 42 ayes Mr. President.

SPEAKER: The bill is now back on E&R for engrossment. The Chair recognizes Senator Whitney.

SENATOR WHITNEY: Mr. President as Chairman of the committee on committees, the committee on committees desires to report favorably on the appointments listed below, and I'm referring to page 501 of your journal, if you please.

SPEAKER: Page 501 of your journal.

SENATOR WHITNEY: Yes, which was submitted by Governor J. James Exon, the committee suggested the appointments be confirmed by the legislative body and suggest a record vote. Well last year, we asked unanimous consent to approve all these at one time, there are nine persons, and so I'm going to ask unanimous consent to approve all of these at one time, unless there is an objection. Now

SPEAKER: Senator Whitney excuse me, but I presume that if there are one or two or more nominees that somebody wants set out so they can be voted on separately that you would agree to that.

SENATOR WHITNEY: Yes, there is nine persons here and I'd like to read their names. (read). I ask unanimous consent to, all nine of these be approved at one time for, except for, if any person has any specific name that they wish to be voted upon separately.
